“And whatever other command there may be, are summed up in this one command: “Love your neighbor as yourself.” Love does no harm to a neighbor. Therefore, love is the fulfillment of the law.”

Romans 13: 9b-10

As citizens of a nation, one of the most important responsibilities we have is to love our neighbor. What do I mean by *love*? In this case, *love* doesn't refer to a feeling. It doesn't mean romance. It doesn't mean that you agree with or even like the person. There are always going to be people that we don't like, but we are called to love them – no matter what.

Love is a decision of the will on the part of the Christian to treat our fellow man justly and compassionately. It's treating others right, even loving them enough to speak truth regarding serious moral and character issues in their lives when it begins to create a problem. That is agape love. This is the unique Christian love. And the greatest way that we can show love to our neighbors is to share with them God's love for them in Jesus Christ. It's a love for all mankind. *Period*. It's a love for Republicans and Democrats, progressives and conservatives, the politically correct and the religious moralist. It's even a love for the racist, the bigot, or terrorist. Jesus' love is a love for all.

So, what is our role as a Christ follower, a citizen and an individual? To love God and to love others – this is the fulfillment of the law.

Prayer: Dear Heavenly Father, help me to show love to others--especially to those who I don't get along with. Amen.

Early Dismissal- WEDNESDAY! We have an early dismissal this week on Wednesday at 2:00pm.

Bel- Air Visit: Our next Bel Air visit is on March 12, 2019.

Lower Room News

We're back to a full week of school this week! We're celebrating Dr. Seuss's Birthday with Dr. Seuss activities, we will be having dress up days with preschool:

Tuesday: Cat in the Hat- Wear a fun hat!

Wednesday: Wacky Wednesday- Have fun!

Thursday: One Fish Two Fish- Wear red/blue

We studied voting in Social Studies last week and voted on our favorite food after narrowing them down to the top food in their category. The majority of voters chose ice cream over pizza as their favorite food. We also will be looking at Mrs. Miller's pictures from her trip to Cambodia, Laos, Thailand, and Vietnam. We colored a Flat Stanley and sent it with them on their trip. She has been sending me pictures on their stops, so we will be exploring along with her (although we won't get to enjoy the wonderful weather in that area!)

We will be working with preschool on our songs for Open House next week. Time is passing quickly!

Upper Room News

As we start a new month, we are staying busy, especially with the Science and Arts Fair. The information that will be put on the boards will either be printed Monday or will already have been printed. This will enable the class to work hard on making the boards look extra nice in advance. Make sure that your child brings their finalized poster board on March 11th (or before) as that is the in-class due date.

We will also be making sure that declamations are "performance ready" by Friday to ensure that our students can sound great when they are representing Trinity at NELHS!

Spelling and Penmanship are both Unit 25 this week.
