Please label ALL items with first name or initials
(Includes Pencils, Markers, Crayons, and Colored Pencils)

Why specific colors for some items? It is my goal to help the students learn organizational skills. I use colors to help keep subjects and papers organized throughout the school day. If you struggle to find the correct colors, please purchase a folder in a different color and let me know.

Why Crayola? It has been the experience in the past that Crayola brands have the basic classic colors, better sharpening quality, and are of overall better coloring quality.
